

Prom DJ Services

Your prom night deserves a DJ who knows how to keep the energy high and the dance floor packed. Musicmatch54 brings 20 years of experience to prom DJ services in Coleman, WI, with the music, sound, and lighting setup to make your event unforgettable. As a family-owned business, we're passionate about creating the right atmosphere for one of your biggest nights.

- We coordinate timing with your event schedule so dancing, announcements, and special moments flow smoothly throughout the night.
- Our wireless microphones and professional sound systems ensure every song, speech, and shout-out reaches the entire venue clearly.
- We play across all the music your crowd wants - hip-hop, country, Latin, EDM, classic rock, R&B, oldies, and jazz - reading the room and adjusting the mix as the night goes on.
- LED lighting effects sync with the music to create the vibe you're looking for, from energetic dance moments to slower songs.
- We handle the technical side completely so your prom committee and chaperones can focus on enjoying the event.
