

Musicmatch54 in Green Bay, WI

Musicmatch54 brings DJ services to Green Bay, WI, where we've built our reputation serving everything from intimate gatherings to larger celebrations across the Fox Valley region. We understand that Green Bay events call for energy and precision, whether that's a wedding reception, corporate holiday party, or birthday bash. Our team handles equipment setup, music selection, and live mixing tailored to your crowd's vibe. We take pride in reading the room and keeping the dance floor active all night long. Contact us to book your Green Bay event and let us handle the music.

Serving All of Green Bay, WI

We serve throughout Green Bay, from the neighborhoods around Lambeau Field to events in the downtown area near the Fox River. Our team works weddings and celebrations all across the city, including venues near the Green Bay Botanical Garden where couples host outdoor receptions.

Neighborhoods we cover: Downtown, Astor, Preble Hill, Riverside, Lineville

Common Green Bay, WI Service Calls

Wisconsin winters mean we're transporting gear through snow and ice, so we've built our setup around reliability in cold conditions. Summer events here can draw big crowds, and we make sure our sound system cuts through outdoor noise at lakeside and riverside venues.

Where We Serve
